

The Bunker

Project contains two rendergraphs:

- 1.SG_LightBlink
- 2.SG_Sway

1.SG_LightBlink

Used with following materials:

M_Lights
M_Lights_2
M_Lights_3

Contains following editable variables:

Speed: light blinking speed
Diffuse : used diffuse texture
Normal : Used normal texture
Tint : tint color of the diffuse texture
Range : time phase randomisation scaler
Emission intensity: emissive intensity
Emissive color : Emissive color

2.SG_Sway

Used with following materials:

M_Ceiling_light
M_Ceiling_light_Emissive

Contains following editable variables:

Speed: sway speed
Axis: sway direction axis
Diffuse : Diffuse texture
Normal : Normal texture
Tint : Diffuse tint color
Range : Sway range scaler
Emission : Emission intensity
Emissive CLR : Emission color
